School's Out Holiday Squad - After School Club – December's 2024 Newsletter

Message from Chris

"Hi to all our parents and guardians and welcome to December's newsletter"

I can report that our recent Ofsted inspection from Meadowhead hub is now online via Ofsted website. Please do have a look as it showcases our provision but also gives you details on how the children respond in our sessions. We are very happy with the report and will continue to keep to the high standards we have set across all hubs.

We are weeks away from the festive season and the children are already getting excited, especially with our Christmas theme activities. Please note that Shadsworth & Meadowhead hubs close for Christmas on the Thursday 19th at 6pm due to their schools finishing before 2pm on Friday 20th. St Paul's hub will close on Friday 20th at 6pm.

Arts & Crafts + Food Technology

A very busy few weeks with lots of Christmas activities planned across all centres. Expect the children to be bringing home Christmas decorations, decorated biscuits, Christmas cards and much more. I think we are more excited than the children if that's possible.

Food technology this month will see the children making their own Christmas pancakes, pizza making and Christmas chocolate log decorations, yummy!!
